REPORT FROM THE EXECUTIVE OFFICER

REPORT FROM THE EXECUTIVE OFFICER

Chairperson Vera Mulkey opened the Executive Officer's report by welcoming Gail McMahon to the position of Executive Officer, Personnel Commission and Classified Employment. Chairperson Mulkey stated that is a great day for the Commission as our new Executive Officer brings with her many years of experience and a wealth of knowledge having worked as a Personnel Commission Administrator and Chief of Personnel Commission in merit system districts and having previously worked with LBUSD as a Labor Relations Representative for CSEA. Chairperson Mulkey said she is looking forward to a favorable and long term working relationship.

Ms. McMahon told the Commission she feels fortunate to be working for Long Beach Unified, a District that is doing great things. She said it feels like coming home, seeing many familiar faces and she is happy to be back in Long Beach.

Ms. McMahon reported she is meeting with District administrative leadership to talk about the Commission, their expectations of the department and to receive feedback on how to better serve their departments.

Ms. McMahon informed the Commission that she has already met with Ruth Ashley, Assistant Superintendent, Human Resources Services, Debra Ecung, Director of Employee Relations and CSEA leadership who have brought her up to speed on many items of interest. Ms. McMahon then asked the staff present to give a brief update on the activities of their respective units.

Susan Leaming, Personnel Analyst informed the Commission that she has completed the end of year statistics and the CSEA salary survey. Ms. Leaming also reported that she and Debra Ecung, Director of Employee Relations, will be meeting with the Head Start team to discuss classification matters.

Dale Culton, Certification Services Manager, reported that all automatic rollover of assignments have been completed; however, Personnel Commission staff has been busy adding and updating assignments that may have not been included in the rollover. Mr. Culton reported that a Senior Office Assistant previously reduced from 12 months to 10 months returned to her previous calendar of 12 months. In addition, Mr. Culton informed the Commission that he and Silaue Taelifi, Human Resources Technician will meet with Special Education to discuss Instructional Aide-Special staffing and how to reduce the number of substitutes needed for the opening of school.

Mary Cates, Human Resources Supervisor, informed the Commission that summer school will end on July 22nd for Elementary and Middle Schools and July 29th for High Schools. Ms. Cates mentioned that at the next P.C. meeting she will provide a detailed update on summer school assignments. Ms. Cates also explained that summer school substitute assignments are not processed through AESOP, the online substitute system as assignments must be done manually to assure that 10 month permanent employees are receiving the summer work that is available.

Maria Lynn Braunstein, Associate Personnel Analyst, reported the recruitment and testing unit remains very busy as sites are eager to get vacancies filled before school begins in the fall. She reported that testing for Custodian, Instructional Aide Special, Intermediate Office Assistant – Schools and Nutrition Services Worker were completed in Avalon last week. Ms. Braunstein informed the Commission that displacement services continues assisting employees who have been affected by reduction or layoff. She thanked CSEA for informing their members that the services are available.

CSEA Chapter 2 Vice President – Unit A, Adrienne Rambo, announced the passing of CSEA Chapter 2 President Valeeta Pharr’s sister, Christine Moore.

Chairperson Mulkey expressed her condolences on behalf of the Commission.
