F. ASSUMPTIONS

Please provide below or on a separate attachment, the assumptions used to determine the projections for the first and second subsequent fiscal years. Further, please include an explanation for any significant expenditure adjustments projected in lines B1d, B2d, and B10. For additional information, please refer to the Budget Assumptions section of the SACS Financial Reporting Software User Guide.

B1d. Certificated Other Adjustments represent expenditures that will be absorbed by unrestricted funds when various restricted funding sources expire and are no longer available for 2011-2012 and 2012-2013. B2d. Classified Other Adjustments represent expenditures that will be absorbed by unrestricted funds when various restricted funding sources expire and are no longer available for 2011-2012. For 2012-2013, the increase in classified other adjustments is due primarily to the increased classified salaries when employees are no longer furloughed.

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Projected revenue limit has changed since budget adoption by more than two percent in any of the current year or two subsequent fiscal years. Provide reasons why the change(s) exceed the standard and a description of the methods and assumptions used in projecting revenue limit.

Explanation: (required if NOT met) Revenue Limit was determined by the May Revision Proposed State Budget factors at Budget Adoption. When the State Budget was adopted in October, different assumptions and factors were made. The District prepared the First Interim using the State Adopted Budget criteria, and revenue limit documents tie to County worksheets.

5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the current fiscal year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

5C. Comparison of District Salaries and Benefits Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Projected ratio of unrestricted salary and benefit costs to total unrestricted expenditures has changed by more than the standard in any of the current year or two subsequent fiscal years. Provide reasons why the change(s) exceed the standard and a description of the methods and assumptions used in projecting salaries and benefits.

Explanation: (required if NOT met) The multi-year analysis includes necessary budget/expenditure reductions on line 10 for 2012-2013 representing additional reductions that must be identified and implemented to maintain required reserves in 2012-2013. These reductions will very likely be made in salaries and benefits, but on the multi-year projection for 2012-2013, the budget reductions necessary show as a separate line item. As decisions are made, the percentage of salaries and benefits to total expenditures will be adjusted and the ratio reduced.

STANDARD: Unrestricted deficit spending (total unrestricted expenditures and other financing uses is greater than total unrestricted revenues and other financing sources) as a percentage of total unrestricted expenditures and other financing uses, has not exceeded one-third of the district's available reserves¹ as a percentage of total expenditures and other financing uses² in any of the current fiscal year or two subsequent fiscal years.

'Available reserves are the unrestricted reserves in the Designated for Economic Uncertainties and the Undesignated/Unappropriated accounts in the General Fund and the Special Reserve Fund for Other Than Capital Outlay Projects. Available reserves will be reduced by any negative ending balances in restricted resources in the General Fund.

8C. Comparison of District Deficit Spending to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Unrestricted deficit spending has exceeded the standard percentage level in any of the current year or two subsequent fiscal years. Provide reasons for the deficit spending, a description of the methods and assumptions used in balancing the unrestricted budget, and what changes will be made to ensure that the budget deficits are eliminated or are balanced within the standard.

Explanation: (required if NOT met)

Due to the budget crisis, various restricted resources were allowed to be "flexed" into the unrestricted fund's ending balance in 09-10 and 10-11. These resources, as well as Federal stimulus funds which could be used for educational purposes, contributed to the increase in unrestricted fund balance in the current year. The future years do not contain as much funding flexibility and therefore show significant reductions in accumulated resources.

2010-11 First Interim General Fund School District Criteria and Standards Review

19 64725 0000000 Form 01CSI

S8. Status of Labor Agreements

Analyze the status of employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
